# **The ICRS Exchange 2025**

## Exhibition Brochure

October 2<sup>nd</sup>, 2025

# The ICRS Exchange

## **What is the Exchange?**

The Institute of Corporate Responsibility and Sustainability (ICRS), the UK's professional body for CR&S practitioners, hosts a yearly conference in London known as the Exchange.

Approximately 200 practitioners across a range of sectors come together to learn about and engage with the most relevant topics in the space today. There is also dedicated time for networking to help practitioners expand their networks.

**Exchange 2025 Theme:** Sustainability on Trial: Time to Prove the Payoff

# The Exchange Exhibition – Overview

**Purpose:** To enrich the Exchange 2025 experience and foster meaningful industry connections, the ICERS will host a dedicated Exhibition featuring organisations that support our mission and Guiding Principles of pursuing positive environmental or social impact.

## **Benefits for Exhibitors:**

- Direct access to a targeted audience of experienced CR&S professionals from a range of sectors (construction, law, retail, professional services, NGOs, etc.)
- Brand visibility at an intimate, high-impact event
- Opportunity to demonstrate products or services live
- Brand / logo inclusion in conference materials and promotions

# The Exchange Exhibition – Key Information

## **Date, Time, and Location:**

- October 2<sup>nd</sup>, 2025
